

## How to Set Up MetaMask Wallet

[Desktop](#)

[Android](#)

[IOS](#)

### Desktop

#### Step 1

**Installing MetaMask Wallet on your browser.** The first step is to visit the [MetaMask website](#) and choose the browser on that you wish to install the wallet.

#### Step 2

**After installing MetaMask, launch it and create a new wallet.** Follow the on-screen instructions to set a password and obtain a 12-word recovery phrase\*.

*\*This recovery phrase is crucial as it allows you to regain access to your wallet in case you forget your password or need to reinstall MetaMask.*

#### Step 3

**Buying the Ethereum.** You need to buy ETH first to buy \$MANIA. Click “Buy”, choose “Debit or Credit”. In the appeared window enter the amount of USD for which you want to buy \$ETH. Get your Quotes, just choose the most profitable one and follow the instructions. Easy Peasy!

#### Step 4

**Connecting to the site.** Let's go back to the [ScapesMania site](#). Connect your wallet on the top right and click “sign”.

#### Step 5

**Buying \$MANIA ** You're in the home stretch! On the [Buy-Token page](#), in the “You Pay” section click “MAX” or enter the amount for which you want to make the \$MANIA purchase. Confirm it!

*Now you are the owner of the \$MANIA token, congratulations!*
